Re: Waterford City Public Infrastructure Project - Flood Defences West

Dear Sir/Madam,

The Department of Transport welcomes the opportunity to provide observations on the above project.

On the basis that the project will not interfere with any cycling and walking infrastructure planned by the National Transport Authority as part of the larger Waterford City regeneration plan which includes a link into Waterford City from the Waterford Greenway trail head at Bilberry and a future pedestrian and walking bridge to Ferrybank, the Department has no objection to it.

Yours sincerely,

Geraldine Maher
