

Legend

- New or reconstructed concrete footpaths
- Stone paving and landscaping areas
- Exposed aggregate / coloured SMA surfacing
- Gravel surfacing under seating areas
- Grassed areas
- Raised crossing and tables
- Traffic ramps

Existing bus parking bay to be relocated to reduce the length of the pedestrian crossing on this arm of the roundabout.

Tree pits and landscaping to be provided throughout the scheme. Detailed design of landscaping elements to be completed.

Raised crossings to be provided on all arms of roundabout.

5 axle ban in place on T.F. Meagher Street

Footpath to be extended to join in with existing public realm at bus stop to front of WCCC Civic Offices.
Car parking to be moved to edge of carriageway to allow widening of the footpath.

Footpath to front of courthouse to be widened to minimum 3.0m wide.

Select stone paving and landscaping as appropriate.

Raised table gateway to quays. Car parking to be provided at grade. Retention sockets for bollards for pedestrianisation of car parking to be provided for events, etc.

Electric car charger to be relocated to outside of Smarter Travel building.

Lane widths of 3.75m to be maintained.

Bicycle parking and picnic tables to be provided. Existing green area to be retained as part of scheme.

Davitt's Quay Roundabout
