

## RE: SECTION 38 ROAD TRAFFIC ACT 1994 – TRAFFIC CALMING SCHEME

### BANK LANE, WATERFORD – NEW FOOTPATH AND RESURFACING OF CARRIAGEWAY UNDER ACTIVE TRAVEL

Waterford City & County Council proposes to undertake traffic calming at Bank Lane, Waterford. This will involve resurfacing and realigning the carriageway to form a raised shared surface area on Bank Lane as well as reconstruction of the footpath including removing uneven surfaces and steps.

Works also include extending the existing pedestrian railing to the side of Waterford Crystal/Menapia Building, installation of new line markings at the entrance to Bank Lane (from The Mall) and removal of existing line markings on Bank Lane.

Existing tactile paving that does not conform to guidance on the use of tactile paving for visually impaired people will be replaced.

As part of the Active Travel works in the area the objective is to improve walking routes and increase safety for pedestrians. The implementation of this scheme will create a safer environment for all road users.

The drawing is available for inspection on Waterford City and County Council's website [www.waterfordcouncil.ie](http://www.waterfordcouncil.ie) and is also on display in our Customer Services Departments in Bailey's New Street in the City and Davitts Quay, Dungarvan from **Tuesday 21st September to Monday 18th October, 2021.**

The Council will consider any submissions or observations made in writing regarding the proposal. Submissions should be lodged with Ian Ludlow, Staff Officer, Active Travel Team, Waterford City & County Council, Menapia Building, The Mall, Waterford or by email to [iludlow@waterfordcouncil.ie](mailto:iludlow@waterfordcouncil.ie) to be received by **Monday 01st November 2021.**
