

RE: SECTION 38 ROAD TRAFFIC ACT 1994 - TRAFFIC CALMING SCHEME LITTLE PATRICK'S STREET, WATERFORD – NEW FOOTPATH AND ROAD MARKINGS UNDER ACTIVE TRAVEL

Waterford City & County Council proposes to undertake traffic calming at Little Patrick Street, Waterford. This will involve widening the existing footpaths and resurfacing the existing carriageway. The scheme will also involve new line marking including parking restriction markings (double yellow lines) and relocation of 2 No. disabled person's parking bays from the street to the car park on Little Patrick Street.

As part of the Active Travel works in the area the objective is to improve walking routes and increase safety for pedestrians. The implementation of this scheme will create a safer environment for all road users.

The drawing is available for inspection on Waterford City and County Council's website www.waterfordcouncil.ie and is also on display in our Customer Services Departments in Bailey's New Street in the City and Davitts Quay, Dungarvan from **Tuesday 21st September to Monday 18th October, 2021.**

The Council will consider any submissions or observations made in writing regarding the proposal. Submissions should be lodged with Ian Ludlow, Staff Officer, Active Travel Team, Waterford City & County Council, Menapia Building, The Mall, Waterford or by email toiludlow@waterfordcouncil.ie to be received by **Monday 01st November 2021.**
